Good morning Eric,

Just a quick note to let you know the images of the two \$20 NY Guaranteed notes will go in the mail to you today. I've included prints of both sides of each note, along with a shot of each highlighting the respective watermarks (a total of 6 images).

Should you decide to include them in the next edition of *Early Paper Money of America*, please contact Marianne Martin, our Visual Resources Librarian. While there will be no charge for the use of the images, there is a permission form we need to have completed.

The accession numbers of the two notes are;

1- 1994-210,602
2- 2006-85(L)

As I mentioned, I'll be at the ANA for the next week and a half, but don't hesitate to contact me if you have any further questions.

All the best,

Erik
